

EXPERIENCE

VIDEO WORK

CoUrbanize (2023-present)

- Edited and produced short-form videos summarizing client meetings to inform shareholders and communities about the progress of various city projects.
- Selected key highlights, enhanced audio quality, added transitions, and incorporated relevant visuals to create engaging and informative content.
- Ensured the content aligned with the client's communication objectives.

Music video (2019)

- Directed and edited the music video for the song "Thunder" by the Boston-based band Pyramid Thieves.
- Oversaw all aspects of production from concept to final cut.
- Crafted the visual effects (VFX) and overall aesthetic to ensure a cohesive and compelling visual narrative.

Short films (2017-present)

- Worked as gaffer, producer, and cinematographer for the short films "Sexy Bitch," shot in Brooklyn, NY in late 2023, and "Dynamite Abraham" shot in Narragansett, RI in 2015.
- Managed the lighting setup to create the appropriate mood and atmosphere for each scene.
- Collaborated closely with the directors to achieve the desired visual style and utilized a variety of lighting techniques and camera equipment to enhance the film's aesthetic and storytelling.

WEB DEVELOPMENT

ARTBATH website (2024)

- Assisted in redesigning the website for ArtBath, a monthly immersive performance series in New York City.
- Contributed to layout, design, and functionality enhancements.

personal portfolios (2024)

- Built custom personal websites from scratch using HTML, CSS, and JavaScript.
- Focused on responsive design and user interface enhancements.
- Leveraged CSS for styling and animations.
- Employed JavaScript for dynamic content, form validations, and interactive features tailored to client specifications.

TECH WORK

Machine Learning Data Associate II - AMAZON INC. (2017-22)

- Led proof-of-concept Machine Learning projects, defining quality benchmarks.
- Collaborated with customers to establish production processing conventions and delivery parameters.
- Provided individual guidance and training for high-quality output.
- Presented project updates to leadership and stakeholders.
- Supported external and internal customer projects within the production processing team.

Quality Control Technician - LENSPROTOGO / RULE BOSTON CAM (2015-17)

- Conducted inspections and testing on camera, lighting, and support equipment returned by customers, maintaining accurate inventory records.
- Facilitated gear purchases, deliveries, and pickups for external clients, ensuring seamless equipment transactions and customer satisfaction.
